I. Personal Statement:

Date of Birth: 15-11-1974

Place of Birth: Yarim, Ibb, Yemen

Marital Status: Married with five children:

{Mohand (1999), Osama (2002), Aiah (2005), Beriham (2022), and Taim (2024)}

Nationality: Yemeni

Languages: Arabic (Mother tongue) – English (Very good)

II. Educational Background:

2009: Ph.D. in Food Science and Technology, thesis title: "Studies on Some Chemical and Biological Contaminants in Some Foods", Faculty of Agriculture, Minufiya University, Egypt. Published in 2011, ISBN (978-3-8465-4083-1), by LAP LAMBERT Academic Publishing, Germany. www.lap-publishing.com

2005: M.Sc. in Food Science and Technology, thesis title: "Identification and Determination of Mycotoxins in Some Foods", Faculty of Agriculture, Minufiya University, Egypt.

1997: B.Sc. in Food Science and Technology, Faculty of Agriculture, Mosul University, Iraq.

III. Professional Experience:

- **April 2023 – Today:** Full Professor of Food and Nutrition Sciences at Food Science and Technology Department, Faculty of Agriculture and Food Sciences, Ibb University, Yemen.
- **August 2021 – September 2024:** President of Yemeni Jordanian University, Sana'a, Yemen.
- **October 2013 – July 2021:** Associate Professor of Food Toxicology and Contaminants at Food Science and Technology Department, Faculty of Agriculture, Ibb University, Yemen.
- **May 2019 – April 2021:** Visiting Professor Fellowship from the Institute of International Education's Scholar Rescue Fund (IIE-SRF) at Nutrition Department and Research Centre, Cihan University, Erbil, Kurdistan, Iraq.
- **July 2017 – April 2019:** Quality Control Laboratories Manager at Karwanchi Group for Soft Drinks, Juices, and Mineral Water Factories, Alton Kopri, Kirkuk, Iraq.
- **September 2014 – Today:** Consultant of Products Quality and Specifications and Director of International Contracts and Relationships at Robbo Al-Saeeda Company, Sana'a, Yemen.
- **January 2016 – December 2016:** Director and member of the board of Y-Group Foundation (Yemen Youth Development Foundation), Sana'a, Yemen.
- **January 2016 – August 2016:** Teaching and Academic Supervisor of Nutrition Students, Nutrition and Dietetics Program, International Lebanese University, Sana'a Campus, Yemen.
- **November 2015 – April 2016:** Advisor and Consultant of Quality Control Unit in the snacks production factories at Joubah Factories for Manufacturing & Trading Foods, Sana'a, Yemen.
- **April 2013 – September 2013:** Research Training Fellowship for Developing Country Scientists (RTF-DCS-2013) by NAM S&T Centre, 6 months at Indian Institute of Chemical Technology (CSIR-IICT), Hyderabad, India.
- **May 2009 – March 2013:** Assistant Professor of Food Toxicology and Contaminants, and Supervisor of Food and Feed Analysis Unit, Faculty of Agriculture, Ibb University, Yemen.

- **November 2002 – April 2009:** Assistant Researcher at the Department of Food Toxicology and Contaminants, National Research Center, Cairo, Egypt.
- **October 1999 – October 2002:** Lab Demonstrator (Teaching Assistant) at the Department of Food Science and Technology, Faculty of Agriculture, Ibb University, Yemen.
- **August 1997 – September 1999:** Quality Control Officer and Laboratory Responsible for Quality Inspection of Snacks at Al-Kabous Corporation, Sana'a, Yemen.

Teaching Experiences:

Principles of Food Technology; Food Processing (Parts 1 and 2); Human Nutrition; Food Safety; Food Quality Control; Food Analysis; Food Microbiology; Food and Nutritional Toxicology; Methodology of Scientific Research; Community Nutrition; Food Service Management; Nutrition Communication; Herbs and Alternative Medicine.

IV. Workshops and Training Courses Attended:

- Successfully completed a Massive Open Online Course (MOOC) on "Social and Behavioural Science to Address Antimicrobial Resistance in Agri-Food Systems" by the Food and Agriculture Organization of the United Nations (FAO), from 30 June to 28 July 2025.
- Member of the scientific conference (4th International Conference on Biological & Health Sciences, Cihan University-Erbil, March 28–29, 2022); served as Director of the Food Science, Nutrition, and Public Health Track.
- Implemented a scientific training workshop online for academic staff from Soran University, Kurdistan, on Bio-Risk Management, April 30, 2020.
- Successfully completed "Evidence-based Toxicology" – an online non-credit course authorized by Johns Hopkins University and offered through Coursera, May 3, 2020.
- Successfully completed "Dairy Production and Management" – an online non-credit course authorized by The Pennsylvania State University and offered through Coursera, May 4, 2020.
- Successfully completed "Toxicology 21: Scientific Applications" – an online non-credit course authorized by Johns Hopkins University and offered through Coursera, May 14, 2020.
- Successfully completed "Chemicals and Health" – an online non-credit course authorized by Johns Hopkins University and offered through Coursera, May 19, 2020.
- Attended and participated in workshop "Cosmetic Procedures, Friend or Foe" by Biomedical Analysis Department at Cihan University, Erbil, February 27, 2020.
- Attended and participated in workshop "Acute Stroke in Young Age, Healthy Aging" by General Biological Department at Cihan University, Erbil, February 12, 2020.
- Attended and participated in workshop "Novel Coronavirus (COVID-19) Global Outbreak" by the Community Health Department of Cihan University-Erbil, February 6, 2020.
- Attended and participated in workshop on E-Learning, Cihan University, Erbil, October 26, 2019.
- Implemented a scientific project on Bio-Risk Management Training Course for Lab Staff in Academic and Health (Public and Private) Sectors in Ibb City, Yemen, for more than 3 months in 2019, sponsored by CRDF Global, USA.
- Attended and participated in the International Workshop on Scientific Writing Skills for Biomedical & Environmental Scientists, held at Cihan University, Erbil, Kurdistan, Iraq, May 2, 2019.
- Attended and participated in the Hospitals Infection Control Workshop held at Cihan University, Erbil, Kurdistan, Iraq, May 1, 2019.
- Attended and participated as a trainer in the training workshop on writing proposals for projects, held at Ibb University, Yemen, December 5–7, 2015.
- Attended and participated in Workshop on Bio-security Curriculum Development in Yemen, Kuala Lumpur, Malaysia, March 1–4, 2015, organized by Sandia National Laboratories, USA.
- Attended and participated in Workshop on Quality Assurance and Accreditation held at Ibb University, Yemen, April 6–9, 2014, organized by the Yemeni Council for Accreditation and Quality Assurance.
- Attended and participated in the course on Governance and Food Safety in International Food Chains, in the Netherlands, March 17 – April 4, 2014, Centre for Development Innovation, Wageningen UR, Netherlands.

- Attended and participated in Workshop for the Development of Ibb University Strategy, held at Ibb University, Yemen, March 1–5, 2014.
- Attended and participated in Workshop on Bio-security Curriculum Development in Yemen, Addis Ababa, Ethiopia, February 23–25, 2014, organized by Sandia National Laboratories (operated by Sandia Corporation), USA.
- Attended and participated in the workshop on "Mentor-Trainee Relationship and Responsibilities" organized by the Faculty of Medicine and Health Sciences, Sana'a University, in collaboration with the National Academy of Sciences, USA, February 2–3, 2013.
- Participated and attended the Educational Institute on Responsible Research with Infectious Diseases: Ensuring Safe Science in the 21st Century, organized by the U.S. National Academy of Sciences in Aqaba, Jordan, September 8–13, 2012.
- Attended the Holistic Healthy Living Workshop in conjunction with the 4th International Conference on Biotechnology for the Wellness Industry, Wellness for Health and Productivity: New Trends, Challenges, and Opportunities, June 19, 2012, UTM SPACE, Kuala Lumpur, Malaysia.
- Participated in the Lab Total Quality Management Seminar according to International Standards of Quality, June 4–6, 2012, at 48 Model Hospital, Sana'a, Yemen.
- Attended and participated in training course "Innovation and Futures Studies for Sustainable Development" held at COMSTECH, Islamabad, Pakistan, March 5–9, 2012.
- Attended and participated in the course "Integrated Approach Towards Sustainable Development" conducted by TERI University, New Delhi, India, July 4–23, 2011.
- Attended and participated in the workshop titled "Mycotoxycological Risks in Mediterranean Countries: Economic Impact, Prevention, Management and Control," October 25–27, 2010, National Research Centre, Cairo, Egypt.
- Attended the 1st Conjoint Workshop between Society for Women in Science in Developing Countries – Egypt and National Research Center under the theme "Towards a Safe and Healthy Women's Life," Cairo, Egypt, March 8–9, 2009.
- Attended the International Symposium on Health Risk Management and Mitigation of Algal Toxins in Food and Drinking Water, Academy of Science Research and Technology, Cairo, Egypt, December 15, 2008.
- Attended Envenomations and Toxic Fish Workshop, National Egyptian Center of Clinical and Environmental Toxicological Research, Cairo, Egypt, April 23–24, 2008.
- Attended the International Symposium on Sea Food Toxins: A Source of Health Hazards and Ecological Problems, Academy of Scientific Research and Technology, Cairo, Egypt, March 25, 2008.

V. Conferences and Other Meetings Attended:

- Attended and participated in the 3rd International Conference of Cihan University-Erbil on Biological & Health Sciences (CIC-BIOHS'19), held at Cihan University, Erbil, Kurdistan, Iraq, April 30 – May 1, 2019.
- Attended the 9th Scientific Conference of Yemeni Biological Society, Ibb University, Yemen, September 14–15, 2014.
- Attended and participated in the 1st International Conference on Food Safety from Experience to Perspectives, June 16–18, 2014, Hong Kong University.
- Attended and participated in the Third International Scientific Conference of Yemeni Chemistry Society, May 25–26, 2014, Aden, Yemen.
- Attended and actively participated in the Poster Session held during the TWAS-ARO 9th Annual Meeting (Science and Technology Education for Sustainable Development in the Arab Region), December 29–30, 2013, Bibliotheca Alexandrina, Egypt.
- Attended and participated with an oral presentation on "Aflatoxins M1 and M2 in Dairy Products" in the Seminar on Nutritional and Healthy Quality for Dairy Products in Yemen, organized by Yemen Standardization Metrology and Quality Control Organization, Sana'a, Yemen, December 17–18, 2013.
- Attended the 8th Scientific Conference of Yemeni Biological Society, Hodeida, Yemen, November 5–6, 2013.

- Participated and attended the 4th International Conference on Biotechnology for the Wellness Industry, organized by Institute of Bio-product Development, University Technology Malaysia (UTM), June 20–21, 2012, Renaissance Hotel and Convention Centre, Kuala Lumpur, Malaysia.
- Attended the 2nd International Conference on Arabica Naturals Coffee, Sana'a, Yemen, December 12–14, 2010.
- Attended the 7th Scientific Conference of Yemeni Biological Society, Sana'a, Yemen, September 28–29, 2010.
- Organization Committee Coordinator for the 1st Annual International Conference, Ibb 2010, Environmental Science and Technology, Ibb University, Yemen, August 1–3, 2010.
- Attended the Fourth Saudi Science Conference, Contribution of Science Faculties in the Development Process of KSA, Al-Madinah Al-Munawwarah, March 21–24, 2010.
- Attended the 6th Scientific Conference of Yemeni Biological Society, Taiz, Yemen, November 14–15, 2009.
- Attended the 2nd International Conference of the Food Industries and Nutrition Division on Future Trends in Food Science and Nutrition, National Research Center, Cairo, Egypt, November 27–29, 2005.

VI. Membership in Professional Organizations:

- Yemeni Biological Society
- Yemen Without Khat Association
- Yemen First Organization
- The American Association of Yemeni Scientists and Professionals
- Member of the Jury of the Yemen Republic President Prize for Youth, Applied Science, Ibb Governorate, Yemen, 2009 and 2010
- Member of Regional Editors of Pakistan Journal of Life and Social Science, Website: <http://pjlss.edu.pk/>
- Member of the Committee of Scientific Research Fund at Ibb University, Yemen
- Member of the Committee of Academic Quality Assurance and Strategic Plan at Ibb University, Yemen
- Reviewer for the International Journal of Food Science and Technology, Website: <http://onlinelibrary.wiley.com/journal/10.1111/%28ISSN%291365-2621>
- Reviewer for the Journal of Food Chemistry and Nutrition, Website: <http://escijournals.net/JFCN>
- Associate Editor for Merit Research Journal of Food Science and Technology (MRJFST) (ISSN: 2354-2527), Website: http://meritresearchjournals.org/fst/editorial_board.htm
- Member of Asian Council of Science Editors, P.O. Box 127685, Deira, Dubai, UAE, Website: <http://theacse.com/>

VII. Publications:
